Dear Mr. Hedberg:

Mr. Joseph Cassetta recently submitted the attached Notice of Intent for the Black Ridge claims. This is just an update of his existing, ongoing operation with no additional disturbance being proposed. The UDOGM number for this operation was S/053/27 when originally permitted by Eugene Hodges, and our records do not indicate if another number was assigned when Cassetta bought Hodges out.

The completeness letter to Desert Mining Company for the Desert #28 project (UDOGM S/053/037) and subsequent correspondence is enclosed, as requested in your March 8, 1993 letter.

If you have any questions concerning either of these cases, please contact Larry Gore at this office.

Sincerely,

Debbie J. Pietrzak
Area Manager
